Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Each year, the City of Glendora participates (as an entitlement jurisdiction) in the Community Development Block Grant Program (CDBG). This program is administered by the US Department of Housing and Urban Development (HUD), and provides funding for a variety of different projects, with eligibility based on meeting the following national objectives: Benefitting low- and moderate-income persons; Eliminating slum and blight; or Meeting a particularly urgent community need.

The City of Glendora is receiving an allocation of \$314,745 during FY 2021-2022 in CDBG entitlement funds from the US Department of Housing and Urban Development (HUD) to spend on housing and community development activities that address the priority needs and goals established in the 2018-2023 Consolidated Plan.

In addition to the \$314,745 of CDBG funds expected in 2021 – 2022, there is \$189,323 of unspent funds available from FY 2019-2020. The combined amounts provide for a total of \$504,068 in CDBG programming for FY 2021-2022.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

During the development of the 2018-2023 Consolidated Plan the following priorities were developed:

- **Infrastructure and Public Facilities:** Improve and expand infrastructure and public facilities that benefit low- and moderate-income neighborhoods and residents.
- **Economic and Human Development:** Provide for the economic development needs of low- and moderate- income persons and neighborhood target areas.
- **Fair Housing:** Promote fair and equal housing choice for all persons.
- **Administration and Planning:** Provide for administration and planning activities to carry out actions that address identified needs in the Consolidated Plan.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

During the first year of implementing the Five-Year Consolidated Plan for 2018-2023, the City was able to accomplish the following:

Affordable and Fair Housing: Through the Housing Authority of the County of Los Angeles (HACoLA), 51 Housing Choice Vouchers were annually distributed. Also, a total of 38 people were assisted with fair

housing issues by the Housing Rights Center (HRC) during FY 2018-2019, the first year of implementing the 2018-2023 Consolidated Plan.

Economic Development: The City recognized the limited interest in this program due to the small amount of funds available. Therefore, the City rolled over unspent program funds from previous years to allow for larger size loans. There were no new participants for the Small Business Assistance Loan program during the first year of the Five-Year Consolidated Plan.

Public Facilities and Infrastructure Improvements: The City allocated funding to the Public Works Department to complete one project, the Street Improvement Project (Laxford Street and Vecino Avenue). The Street Improvement Project rehabilitated the badly deteriorated pavement on Laxford Street from Grand Avenue to Vecino Avenue and on Vecino Avenue from Laxford Street to Bonita Avenue. This project benefitted approximately 1,725 people living in the low- and moderate-income area of Census Tract 4039.02 Block Group 3; 1,085 of which were low- and moderate-income.

The City also allocated \$6,500 to the Community Services and Public Works Departments for the Glendora Public Library Signage Update for ADA Accessibility Project. The project would potentially benefit 3,540 people. However, the Glendora Public Library decided not to move forward with the project.

During FY 2019-2020, the City continued to fund these programs/projects established in the Five-Year Consolidated Plan for 2018-2023.

Affordable and Fair Housing: Through the Los Angeles County Development Authority (LACDA), 51 Housing Choice Vouchers were annually distributed. Also, a total of 28 people were assisted with fair housing issues by the Housing Rights Center (HRC) during FY 2019-2020, the second year of implementing the 2018-2023 Consolidated Plan.

Public Facilities and Infrastructure Improvements: The City allocated funding to the Public Works Department to complete two projects, the Street Improvement Project (Bonita Ave./Dale Rd.) and the Street Improvement Project (Cullen Ave./Marion Pl./Scott Pl.). The two projects benefitted 3,810 people living in the low- and moderate-income area of Census Tract 4039.02 Block 3 and Block 4, of which 2,045 people were low- and moderate-income.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.
--

The citizen participation process utilized for the FY 2021-2022 Annual Action Plan included: publishing a notice of available funding and request for applications on February 25, 2021 and March 4, 2021 in the San Gabriel Valley Examiner; conducting a public hearing before the City Council to discuss community needs, funding applications and potential allocations will be held on April 13, 2021; and will conduct a second public hearing before the City Council on May 25, 2021 to adopt the Action Plan. Public notices for the hearings will be published in the San Gabriel Valley Examiner, posted at City Hall, and posted on the City's Website. Proof of publication for all public hearings, meetings, and general outreach efforts can be found in the Appendix.

A 30-day public review will be held from April 14, 2021 through May 24, 2021. Copies of the draft Action Plan will be available for the public to read on the City website and at City Hall (Planning Department and Office of the City Clerk). Copies will also be available for review by requesting in person or by telephone, fax, or e-mail. City staff ensures adequate notification of all public hearings. Advance notice of public hearings is printed in newspapers of general circulation at least ten days prior to the meeting date and translation services are always available upon request for non-English speaking residents.

Additionally, the City ensures reasonable access to information and records related to the development of the Plan and to the expenditure of resources for programs funded by CDBG. The final Consolidated Plan, amendments to the Plan, and annual performance reports will be available for five years at City Hall.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Attendees of the Community Workshop conducted for the Consolidated Plan provided the following comments:

- There is a need for affordable housing. Waiting list for publicly assisted affordable housing is long.
- Community services are needed to assist low-income households, homeless, persons with disabilities, particularly those with mental health issues, and victims of domestic violence. A resource guide would be useful for making referrals for services.
- Fair housing outreach and education is an important service.

No comments were received during the public review period or at the public meetings before City Council.

6. Summary of comments or views not accepted and the reasons for not accepting them

There were no comments or views not accepted.

7. Summary

The City of Glendora will receive an allocation of \$314,745 of CDBG funds in Fiscal Year 2021-2022. While funding amounts are somewhat flexible, there are statutory limitations that restrict the amount of funding for Planning and Administration costs to not more than 20 percent of the annual grant allocation and limit public services to 15 percent of the annual grant allocation. In addition, \$189,323 of unspent funding is available from FY 2019-2020. The combined amounts provide for a total of \$504,068 in CDBG programming for FY 2021-2022.

Based on the limited amount of resources available to the City, statutory restrictions, past experiences, and the Priority Needs established in the 2018-2023 Consolidated Plan, staff recommendations for the 2021-2022 CDBG One-Year Annual Action Plan are as follows:

ACTIVITY	AMOUNT
General CDBG Administration	\$47,035
Fair Housing	\$15,000
Administration and Fair Housing Sub-Total	\$62,035
Street Improvement Project (Nine Streets south of Juanita Ave, west of Glendora Ave.: Newburgh, Laxford, Carter, Santa Fe, Vermont, Pennsylvania, Washington, Bender and Westridge.)	\$442,033
Infrastructure Sub-Total	\$442,033
Total CDBG Budget for Fiscal Year 2021-2022	\$504,068

The 20 percent of CDBG annual allocation dedicated to planning and administration activities is not subject to the requirement of benefiting low- and moderate-income persons. Of the remaining 80 percent of CDBG funds, 100 percent will benefit low- and moderate-income persons.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Glendora consulted with key City departments in the development of the 2021-2022 One Year Action Plan including: Building; Planning; Code Enforcement; Community Services; and Public Works. Information was also collected from other public and quasi-public agencies, during the Consolidated Plan process, which included the Housing Authority County of Los Angeles and several local Public Service Agencies. Copies of the draft One-Year Action Plan will be made available during the 30-day public review of the One Year Action Plan from April 14, 2021 through May 24, 2021.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

In preparing the FY 2021-2022 One-Year Action Plan, the City of Glendora incorporated the information contained in the Consolidated Plan needs assessment. This included a wide range of service providers who were contacted to compile information on community needs. Agencies representing persons with HIV/AIDS, homeless persons, low-income youth, persons with disabilities, elderly persons, and persons with alcohol/substance abuse problems were contacted. Specifically, the following agencies were contacted via telephone calls and emails: the Housing Rights Center. The City of Glendora will continue to consult with the aforementioned agencies to address the public service needs of the community. Staff will participate on local and regional boards on issues related to the Homeless.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Glendora does not receive funding under the Emergency Solutions Grant (ESG) program. However, staff does coordinate with the County's Continuum of Care lead agency the Los Angeles Homeless Services Agency (LAHSA) and the San Gabriel Valley Council of Governments (SGVCOG) regarding homelessness in the City. Specifically, the City is a voting member on the SGVCOG Homelessness Committee, which studies problems, programs, and other matters that pertain to the regional homelessness issues and provides policy direction to the SGVCOG.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

As stated, the City of Glendora does not receive funding under the Emergency Solutions Grant (ESG) program. Staff does coordinate with the County's Continuum of Care lead agency the Los Angeles Homeless Services Agency (LAHSA) and the San Gabriel Valley Council of Governments regarding homelessness in the City.

Narrative (optional)

The City’s strategy of focusing CDBG funds on public facilities and infrastructure are in line with HUD’s recent guidance to urge grantees to consider using CDBG funds, to the extent possible, to support investments in predevelopment activities for infrastructure and public facilities activities per a Presidential Memorandum issued January 16, 2015, which instructed federal agencies to expand support for predevelopment activities.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

The citizen participation process undertaken by the City to solicit input in the development of the Annual Action Plan for FY 2021-2022 included:

- Publishing two notices on February 25, 2021 and March 4, 2021 announcing the Notice of Funding Availability (NOFA), which were also posted to the City’s website and at City Hall.
- Conducting a public hearing before the City Council to discuss community needs, funding applications and potential allocations will be held on April 13, 2021.
- A 30-day public review will be held from April 14, 2021 through May 24, 2021.
- Another public hearing before the City Council will be held on May 25, 2021 to adopt the Annual Action Plan.

Public notices for the hearings will be published in the *San Gabriel Valley Examiner*, posted at City Hall, and posted on the City's Website. Proof of publication for all public hearings, meetings, and general outreach efforts can be found in the Appendix. Copies of the draft FY 2021-2022 Annual Action Plan will be available for the public to read in the City website and at City Hall (Planning Department and Office of the City Clerk). Copies are also available for review by requesting in person or by telephone, fax, or e-mail. City staff ensures adequate notification of public hearings. Advance notice of public hearings is printed in newspapers of general circulation at least ten days prior to the meeting date and translation services are always available upon request for non-English speaking residents. Additionally, the City ensures reasonable access to information and records related to the development of the Plan and to the expenditure of resources for programs funded by CDBG. The final Consolidated Plan, amendments to the Plan, and annual performance reports will be available for five years at City Hall.

Given the limited amount of resources it was determined that funds would be focused on public improvements and infrastructure, which was determined to be a high priority need in the City's Five-Year Consolidated Plan.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Glendora is receiving \$314,745 of CDBG funds for program year 2021-2022. In addition to the \$314,745 of CDBG funds expected in FY 2021-2022, there is \$189,323 of unspent funds available from FY 2019-2020. The combined amounts provide for a total of \$504,068 in CDBG programming for FY 2021-2022.

For planning purposes, the City does not anticipate a significant amount from program income. If available, program income will be used to support the City public facility and infrastructure improvement projects and economic development efforts.

Projects

AP-35 Projects – 91.220(d)

Introduction

Based on the limited amount of resources available to the City, statutory restrictions, and the Priority Needs established in the Consolidated Plan, staff recommendations for the 2021-2022 CDBG One-Year Annual Action Plan are as follows:

1. Administration: CDBG Administration \$47,035; Fair Housing \$15,000; **Sub-Total** \$62,035.
2. Activities: Street Improvement Project (Nine Streets south of Juanita Ave, west of Glendora Ave.: Newburgh, Laxford, Carter, Santa Fe, Vermont, Pennsylvania, Washington, Bender and Westridge) \$442,033; **Sub-Total** \$442,033.

The City of Glendora is receiving \$314,745 of CDBG funds for program year 2021-2022. In addition to the \$314,745 of CDBG funds expected in 2021 – 2022, there is \$189,323 of unspent funds available from FY 2019-2020. The combined amounts provide for a total of \$504,068 in CDBG programming for FY 2021-2022. The Total Amount of Funding Recommendations Benefiting Low-Moderate Income Persons for 2021-2022 Fiscal Year Equals 100% for funds subject to the low/mod benefit calculations.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

During the development of this 2018-2023 Consolidated Plan, which forms the basis for establishing objectives and outcomes in the Strategic Plan and five (5) subsequent Annual Action Plans, the following priority needs and objectives were established:

1. **Infrastructure and Public Facilities:** Improve and expand infrastructure and public facilities that benefit low- and moderate-income neighborhoods and residents.
2. **Economic and Human Development:** Provide for the economic development needs of low- and moderate- income persons and neighborhood target areas.
3. **Fair Housing:** Promote fair and equal housing choice for all persons, promote housing that is accessible to and usable by persons with disabilities, and comply with the non-discrimination requirements of the various Fair Housing laws.
4. **Administration and Planning:** Provide for administration and planning activities to develop housing and community development strategies and programs needed to carry out actions that address identified needs in the Consolidated Plan.

These established Priority Needs form the basis for allocating investments geographically within the jurisdiction during the next five-year period and are a result of various community outreach efforts and consultation meetings developed under the Citizen Participation process. Given the limited resources the City will receive, the City will be relying on non-profit agencies to assist in addressing obstacles to meet underserved needs.

Given the limited CDBG funding allocation, affordable housing is not identified as a priority for CDBG funds. The City will be supporting affordable housing through other programs and activities, including planning tools such as density bonus incentives and zoning provisions for accessory dwellings and supportive/transitional housing, and Housing Choice Vouchers (Section 8).

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

With limited CDBG funds, the City plans to focus on a limited number of activities for FY 2021-2022. Geographic distribution of funding is based on the nature of the activity to be funded and will occur as follows: Fair housing services will be provided citywide to all residents and the Street Improvement Projects administered by the Public Works Department, will take place on primarily residential streets in the City's low- and moderate-income areas.

Geographic Distribution

Not applicable. The City has not established any special target areas other than evaluating the Low/Moderate Income Area (LMA) benefit projects against the CDBG Low and Moderate Income eligible areas.

Rationale for the priorities for allocating investments geographically

Given the limited level of CDBG funding, the City believes that a cost-effective strategy is to concentrate improvements in the low- and moderate-income areas.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

As stated, there are limited opportunities and funding available to provide affordable housing in Glendora. The City will continue to seek new partnerships in the upcoming years. During FY 2021-2022 the City will address affordable housing needs through the following programs:

- **Housing Choice Vouchers Rental Assistance (DH-2):** The City will continue to provide Housing Choice Vouchers to extremely low- and low-income households through the Los Angeles County Development Authority (LACDA). Approximately 35 low-income (0-50 percent AMI) renter-households will be assisted, which will include elderly, single-parent, and disabled special needs households.
- **Fair Housing Program (DH-1):** The City’s Fair Housing Program is administered by the Housing Rights Center (HRC), which provides fair housing services and landlord/tenant information to residents and housing providers who request counseling, resource referral, complaint investigation, and public education on all forms of housing discrimination. Approximately 50 low-income (0-50 percent AMI) persons will be assisted, including elderly, single-parent, and disabled special needs households.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

Given the limited resources and small homeless population in Glendora, homeless activities have not been established as a high priority for the purpose of spending CDBG funds in the 2018-2023 Consolidated Plan. The City is relying on coordinated efforts with the Los Angeles Homeless Services Authority (LAHSA) to provide shelter opportunities; the East San Gabriel Valley Coalition for the Homeless to provide information, counseling, and referral services to homeless persons that reside in Glendora; and the Glendora Welfare Agency's Operation Improvement Program to provide financial assistance to homeless or those that are at-risk of being homeless. Motel vouchers, transportation services, food, clothing, gasoline vouchers, rental assistance, utility payments and referral services are provided through this program.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City will work with the above agencies to reach out to homeless persons and assess their individual needs. Specifically, the City of Glendora is a voting member of the Homelessness Committee of the San Gabriel Valley Council of Governments (SGVCOG) to study homeless issues and programs.

In addition, the City of Glendora, in collaboration of four other SGV cities (Azusa, Covina, Duarte, and West Covina) applied for Los Angeles County Measure H funds under the Priority Area of enhancing County Service systems for those experiencing or at-risk of homelessness. A grant of \$343,250 has been awarded

to these five communities to retain case managers to assist the homeless.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City will work with the above agencies to address emergency shelter and transitional housing needs of homeless persons.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

As stated above, the City relies on coordinated efforts with LAHSA, the East San Gabriel Valley Coalition for the Homeless, and the Glendora Welfare Agency's Operation Improvement Program to make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The new Measure H grant from Los Angeles County will provide case management services to the homeless and those at risk of homelessness in five cities (Azusa, Covina, Duarte, Glendora, and West Covina).

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

As stated above, the City relies on coordinated efforts with LAHSA, the East San Gabriel Valley Coalition for the Homeless, and the Glendora Welfare Agency's Operation Improvement Program to make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Market and governmental factors pose constraints to the provision of adequate and affordable housing. These factors tend to disproportionately impact lower- and moderate-income households due to their limited resources for absorbing the costs. Glendora works to remove barriers to affordable housing by implementing a Housing Element that is consistent with California law and taking actions to reduce costs or provide off-setting incentives to assist in the production of safe, high-quality, affordable housing. The City is committed to removing governmental constraints that hinder the production of housing, and offers a one-stop streamlined permitting process to facilitate efficient entitlement and building permit processing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City updated its Housing Element for the 2013-2021 planning period. The update did not identify significant governmental constraints to housing development. The City will continue to monitor its zoning and development regulations. The City will continue to implement the streamlined permit processing as required by State law. The City will continue to offer incentives to foster affordable housing development through State density bonus law and local incentives through the various specific plans.

The City is currently in the process of updating its Housing Element for the 2021-2029 planning period.

AP-85 Other Actions – 91.220(k)

Introduction:

This section discusses the City's underserved needs and institutional structure for delivering housing and community development activities.

Actions planned to address obstacles to meeting underserved needs

The City's underserved populations include the elderly, disabled, homeless and at-risk homeless families and individuals. The City will rely on its existing network of public and nonprofit service agencies, along with the City's Community Services Department, to provide an array of supportive services for the City's underserved groups. In addition, the City will use CDBG funds to support the fair housing program that targets many of the City's underserved residents. Fair housing is a homeless prevention strategy, allowing many equal access to housing and assisting those facing unfair treatment in the housing market. CDBG funds will also be used to fund ADA improvements at public facilities, benefitting persons with disabilities

that are often underserved.

Actions planned to foster and maintain affordable housing

The City will continue to foster affordable housing development in the community through incentives such as density bonuses. In addition, fair housing as a homeless prevention strategy can assist those facing unfair evictions and foreclosure frauds, and therefore be able to remain at their homes.

Actions planned to reduce lead-based paint hazards

The City's Code Enforcement staff will continue to provide information of lead-based paint hazards and resources for abatement to residents. Such information is also available at public counters.

Actions planned to reduce the number of poverty-level families

The City's Small Business Loan program only received limited interest from business owners. Therefore, the City has suspended this program. The City continues to expand economic opportunities for lower income persons, especially those living in poverty. The City maintains a reputation as one of the most business friendly communities. The City's Economic Action Plan (2017) outlines various actions to attract and retain businesses and employment in the City, including providing educational workshops and informational materials, assisting in business licensing and land use/zoning issues, and attracting filming in Glendora that would provide employment and vendor opportunities for local residents and businesses. The City also created a dedicated section on its website to function as a centralized location for information and resources for existing and prospective businesses.

Actions planned to develop institutional structure

With the loss of redevelopment funds and reduced CDBG funding, the City eliminated the Housing Division and consolidated the administration of CDBG program under the City's Planning Department. City staff had consulted with HUD staff and attended HUD trainings in order to better craft a CDBG program that can be delivered in a cost-effective manner. City staff will continue to communicate and work with HUD staff to implement the CDBG program and develop institutional structure.

Actions planned to enhance coordination between public and private housing and social service agencies

The City will continue to coordinate with public and private housing and services agencies to deliver housing and community development activities in the community. Various agencies will continue to be invited to attend public meetings related to the CDBG program.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

The following section relates to funding as follows:

- **Program Income:** The City's Housing Rehabilitation Program funded in previous years occasionally generates program income in the form of loan payoffs. No revolving loan fund or floating fund has been established by the City. The City does not anticipate any Program Income during the next year. If program income is generated, it will be allocated to the FY 2021-2022 Street Improvement Projects.
- **Prior Year Program Income:** No prior year Program Income is unallocated.
- **Proceeds from Section 108 Loan Guarantees:** The City has not received Section 108 loan funds; thus, there are no proceeds from Section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the strategic plan.
- **Surplus from Urban Renewal Settlements:** The City does not have any urban renewal surplus funds for community development and housing activities.
- **Grant Funds Returned to the Line of Credit:** The City has not been required to return any funds to the line of credit.
- **Income from Float-Funded Activities:** The City has not established any float- funded activities that would generate income.
- **Urgent-Need Activities:** No urgent need activities were identified by the City for FY 2021-2022.
- **CDBG Funds Used to Benefit Persons of Low- and Moderate-Income:** The City of Glendora is receiving \$314,745 of CDBG funds for program year 2021-2022. In addition to the \$314,745 of CDBG funds expected in 2021 – 2022, there is \$189,323 of unspent funds available from FY 2019-2020. The combined amounts provide for a total of \$504,068 in CDBG programming for FY 2021-2022. The Total Amount of Funding Recommendations Benefiting Low-Moderate Income Persons for 2021-2022 Fiscal Year Equals 100 percent for funds subject to the low/mod benefit calculations.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

In compliance with the American with Disabilities Act, if you need special assistance to participate in the meeting, please contact the City of Glendora's City Clerk's Office at (626) 914-8210. Notification 48 hours prior to the scheduled City Council meetings will enable the City to make reasonable arrangements to ensure accessibility to the meeting.

BACKGROUND

Consolidated Plan: Every five years, the CDBG program requires that the City adopt a "Consolidated Plan," which establishes the goals and objectives of the City's CDBG program. During the development of this 2018-2023 Consolidated Plan, which forms the basis for establishing objectives and outcomes in the Strategic Plan and five (5) subsequent Annual Action Plans, the following priority needs and objectives were established:

1. **Infrastructure and Public Facilities:** Improve and expand infrastructure and public facilities that benefit low- and moderate-income neighborhoods and residents.
2. **Economic and Human Development:** Provide for the economic development needs of low- and moderate- income persons and neighborhood target areas.
3. **Fair Housing:** Promote fair and equal housing choice for all persons.
4. **Administration and Planning:** Provide for administration and planning activities to carry out actions that address identified needs in the Consolidated Plan.

These established Priority Needs form the basis for allocating investments geographically within the City during the next five-year period and are a result of various community outreach efforts and consultation meetings developed under the Citizen Participation process.

Only eligible activities that receive a High priority level in the FY 2018-2023 Consolidated Plan will be funded during the five year period.

Annual Action Plan: The Annual Action Plan is part of the Five-Year Consolidated Plan and serves as the City's application for funding from HUD. The City of Glendora will receive an allocation of \$310,175 of CDBG funds for FY 2021-2022, as stated in the notice from HUD dated February 25, 2021.

In addition to the annual allocation, unspent funds are available from FY 2019-2020 in the amount of \$189,323. These unspent funds will be allocated to projects in FY 2021-2022. Combined with the anticipated allocation, a total of \$499,498 will be available in FY 2021-2022. Should there be any amendments to the dollar amount of funding available, staff will revise the budget either increasing or decreasing funding appropriated to the infrastructure improvements.

CDBG 2021-2022 Allocation:	\$310,175
<u>Unspent Funds 2019-2020:</u>	<u>\$189,323</u>
Total:	\$499,498

The CDBG funding may be allocated to the following types of eligible projects:

1. **Acquisition:** by purchase, long-term lease, and donation of real property for an eligible public purpose.
2. **Disposition:** of real property acquired under the CDBG Program.
3. **Construction and Rehabilitation:** of certain publicly owned facilities, such as (a) senior citizen centers; (b) parks and playgrounds; (c) community centers; (d) fire protection facilities and equipment; (e) sidewalks and street improvements; (f) water and sewer systems.
4. **Rehabilitation of publicly and privately owned housing:** for low-and moderate-income households.
5. **Public Services:** which are new or expanding, and directed toward meeting employment, crime prevention, childcare, drug abuse prevention, homeless assistance, or other community service needs.
6. **Removal of Architectural Barriers:** that restricts the mobility and accessibility of elderly or handicapped persons to publicly owned and privately-owned buildings, facilities, and improvements.
7. **Special Economic Development Activities:** that provide grants, loan guarantees and other forms of necessary or appropriate support to private "for profit" businesses to provide increasing employment opportunities and other public benefit.

While funding amounts are somewhat flexible, there are statutory limitations that restrict the amount of funding for Planning and Administration costs to not more than 20 percent of the annual grant allocation and limit public services to 15 percent of the annual grant allocation.

Based on the limited amount of resources available to the City, statutory restrictions, and the Priority Needs established, staff recommendations for the FY 2020-2021 CDBG One-Year Annual Action Plan are as follows:

ACTMITY	AMOUNT
General CDBG Administration	\$47,035
Fair Housing	\$15,000
<i>Administration and Fair Housing Sub-Total</i>	<i>\$62,035</i>
Street Improvement Project (Nine Streets south of Juanita Ave, west of Glendora Ave.: Newburgh, Laxford, Carter, Santa Fe, Vermont, Pennsylvania, Washington, Bender and Westridge.	\$437,463
<i>Infrastructure Sub-Total</i>	<i>\$437,463</i>
Total CDBG Budget for Fiscal Year 2021-2022	\$499,498

PUBLIC REVIEW AND COMMENT PERIOD

All interested persons are invited to the Public Hearing to comment on the City's CDBG program and Action Plan. In addition, written comments may be submitted to the City prior to the public hearing and during the 30-day public comment period.

Comments from the public hearing and those submitted to staff during the comment period will be addressed in the final version of the Plans submitted to the U.S. Department of Housing and Urban Development. Comments and questions regarding the Plans can be addressed to:

Valerie Velasquez, Economic Development and Housing Manager
City of Glendora
116 E. Foothill Boulevard
Glendora, CA 91741

Public Comment

Attendees of the Community Workshop conducted for the 2018-2023 Consolidated Plan held on February 21, 2018 provided the following comments:

- There is a need for affordable housing. Waiting list for publicly assisted affordable housing is long.
- Community services are needed to assist low income households, homeless, persons with disabilities, particularly those with mental health issues, and victims of domestic violence. A resource guide would be useful for making referrals for services.
- Fair housing outreach and education is an important service.
