

COMMUNITY EMERGENCY RESPONSE TEAM

CERT | MARCH 2023

The City of Glendora in partnership with the City of San Dimas are pleased to announce the 2023 Community Emergency Response Team Basic Training Course. Classes will be held each Thursday from 6pm to 9pm starting on March 9, 2023 and concluding with the final exercise on April 20, 2023. Participants must be 18 years or older, be able to show proof of residency in the City of Glendora or San Dimas, and should commit to attending all sessions of the class.

Class size is limited so please register early to secure your spot.

The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.

ENROLL TODAY!
